

CE Declaration of Conformity

within the meaning of the CE directive

machines 2006/42/CE, annex II B

This plant / machine

Brand: Integrated Kit
Type/model: 71-061-012
Serial number:
Year of manufacture:

has been developed, designed and manufactured in accordance with the CE directives

machines 2006/42/CE and electromagnetic compatibility 2004/108/CE
under the sole responsibility of

active tools Europe GmbH
Otto-Hahn-Str. 72
D - 32108 Bad Salzufflen
Germany

The following harmonized standards have been applied:

Designation	Title	Version
IEC 61000-1	Electromagnetic compatibility (EMV), interference resistance	2005
IEC 61000-2	Electromagnetic compatibility (EMV), emitted interference	2005
EN ISO 12100-1	Machine safety	2009
DIN EN 1012-1	Compressors and vacuum pumps – safety requirements – Part 1: compressors	2010
DIN EN 894-1	Machine safety – Ergonomic requirements for the design of displays and control actuators – part 1: general principles	2008
DIN EN 894-2	Machine safety – Ergonomic requirements for the design of displays and control actuators – part 2: displays	2008
DIN EN 55014-1	Electromagnetic compatibility – Requirements for household appliances, electric tools and similar electric units - part 1: emitted interference	2011
DIN EN 55014-2	Electromagnetic compatibility - Requirements for household appliances, electric tools and similar electric units - part 2: interference resistance	2008

The relevant safety and health protection requirements for the construction and manufacture of machines according to annex I of the machinery directive have been met.

A complete technical documentation is available.

The operating instructions regarding this machine/machine part are available.

in the original version

in the user's national language: German

If the machine/plant is changed without active tools Europe GmbH's consent after handover this declaration will become void.

Person responsible for the composition of the technical records, CE commissioner

13. 3. 2014

Date,

Oliver Retzlaff
